

VOICE OF THE AMERICAN SUPPLY CHAIN

THIS WEEK: REOPENING OF AMERICA. TIMELY LABOR STRATEGIES TO GET THE JOB DONE!

GET CONNECTED.

To help you navigate through today's rapidly changing business conditions, we're bringing you real-time data and best practices from the frontlines of the supply chain.

Join our host, Brian Devine, EmployBridge SVP, for this week's update on:

- ▶ *The unique challenges and opportunities facing the supply chain*
- ▶ *What concerns workers most as they return to work*
- ▶ *The unintended consequence of Federal and State stimulus*
- ▶ *Strategies to manage labor resources as states reopen*

View. Listen. Read. Download.

EMPLOYBRIDGE®

As states begin to plan their reopening strategies supply chain organizations will be faced with many different challenges. In addition to strong labor competition, supply chain organizations are now faced with new competing factors - the virus itself and the U.S. government.

- ▶ State/county curfews & bans
- ▶ Fear of exposure
- ▶ Social distancing
- ▶ Remote interviewing, testing & hiring

- ▶ Unemployment benefits
- ▶ Federal stimulus funds
- ▶ Operating restrictions
- ▶ State by state reopening decisions

**EmployBridge is ready to help you navigate
new obstacles, offering:**

- ▶ Health and safety guidelines for supply chain employers
- ▶ Virtual testing, screening, interviewing and onboarding
- ▶ Weekly legal and safety best practice webinars for clients

**Contact us to start building
your back to work strategy.**
